

## What does it cost?

### SINGLE membership of £35.00

provides cover for a single person only.

### CHILD membership of £13.00

provides cover for one child up until the end of full-time education.

### FAMILY membership of £83.00

provides cover for a couple or single parent with children until they leave full time education.

**SENIOR CITIZEN** who is 65 years or over may pay a specially reduced membership of **£30.00** (for a couple both senior citizens **£60.00**, for a couple with one senior citizen **£65.00**).

**COPUPLE** (both under 65 years) **£70.00**

## How long does membership last?

Membership is valid until 31/12/2020. You can join at any time.

Should you have any queries please contact us on **01481 723866**.

## Are there any restrictions?

There is no limit to the number of emergency ambulance responses you may have and no age limit or restrictions for pre-existing medical conditions. However **there are restrictions to the number of non-emergency patient transfers covered under your membership**. This membership

will cover you for 10 non-emergency patient transfers. (This does not apply to transfers in respect of renal dialysis treatment). Should you require more than 10 transfers within your membership period, a top-up subscription can be purchased. Please note that whilst we respond to 999 calls made by the public, we only take non-emergency ambulance transfers when they are authorised by a Healthcare Professional.

## What if I don't join?

An ambulance responding to an emergency call can incur a charge of up to £371.00. A non-emergency patient transfer by ambulance booked in advance by a Health Care Professional will incur a charge of up to £180.00. Other charges will be applied for specialist services (e.g. paramedic treatment).

## Private Medical Insurance

You may be covered by private medical insurance. If you are, please check with your insurer the level of cover for ambulance services, to ensure it is enough to meet our charges.

## St John Subscription Scheme

### What is the St John Subscription Scheme?

- As a local resident, by becoming a member of our Subscription Scheme, you'll help us provide essential services and at the same time support St John as a charity. In return, in the event of an injury, serious illness, or other medical condition you'll receive:
- Unlimited free emergency ambulance responses;
- Assessment and medical treatment by paramedics or other qualified ambulance clinicians;
- 10 transfers by non-emergency ambulance under the direct instructions of a Health Care Professional where you are unfit to travel by any other means for treatment or medical appointment

(Where you do not meet the conditions you will be subject to normal charges for ambulance services regardless of your membership to the St John Subscription Scheme.)

### How does the Subscription Scheme work?

To become a St John Subscriber, you pay a 2020 membership fee – either as an individual or a family. The usual charge for an emergency ambulance response is **over 10 times more** than the annual cost of being a St John Subscriber, so our scheme offers you great value for money.

### Why become a St John Supporter?

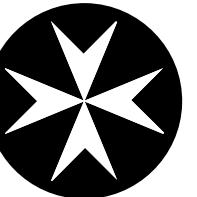

St John is a charity. We rely on your support and donations to deliver our services to you when you need us. The subscription you helps to provide Guernsey's ambulance service, which operates 24/7 and assists thousands of people every year.

### Why do I need to pay for an ambulance?

There are user charges from St John for an emergency response, medical assessment, treatment and patient transfers. The charge arises because unlike the other island emergency services, we are not fully funded by the States of Guernsey. The funding we receive from the States of Guernsey only covers 70% of the ambulance service costs. We need to raise the additional income through this Subscription Scheme, charges and donations.

*St John may amend these terms and conditions, and prices, at any time by uploading revised terms and conditions to its website [www.stjohn.gg](http://www.stjohn.gg). Any amendments will be effective from the date they are uploaded to the website.*

## VOLUNTEER EVENT FIRST AIDERS

Be part of a team that saves lives

As an event first aider, you'll provide first aid care to people in need at public events, such as Liberation Day, sports fixtures, outdoor festivals and shows.

A team of first aiders from St John Guernsey travelled to Gibraltar for the NatWest International Island Games, and the team are now planning for when the Games return to Guernsey in 2021. One of the volunteers, Jackie, said: "Being part of the last Island Games and meeting so many new people at such a big event was an amazing experience."

You don't need previous first aid experience to become a first aider – we'll give you all the training you need. If you've got good communication skills and want to help people in our community, we'd love to have you on our team.

Help us improve the lives of everyone in our community
